| CAREER OBJECTIVE & SKILLS

I am seeking to leverage my skills as a general accountant, along with my software engineering degree, to positively contribute to a role that serves my company, family, friends, and community.

- 3 years of accounting experience, including processing invoices, payroll processing, account reconciliation, invoicing, drafting bills, tracking inventory, and ordering inventory.
- Detail-oriented, efficient, and always eager to learn new systems and processes
- Proficient in Office 365, Google Suite, Excel, HotShot, FSPMS, Oracle, PowerPoint, and Microsoft applications

| EDUCATION

San Antonio Community College, San Antonio, TX
– *Associates in Software Engineering*

March 2026
